WHOLESALE ENGLISH CHRYSANTHEMUMS

TRANSPLANTS AND ROOTED CUTTINGS

These English Chrysanthemums are one of the best items for Spring Retail Sales. We have one Nurseryman that bought nearly 10,000 plants from us last year and plans to triple that this year. Buy enough to try this year and then you will have an idea what you can do next year.

We sent you our 1952 SMITH'S GARDEN BOOK. It contains the descriptions of all the varieties on this list. If you failed to get it, write for it because we have one for you. Whenever possible we send Transplants. Otherwise we send rooted cuttings. DO NOT ORDER LESS THAN \$1.00 WORTH OF ANY ONE ITEM ORDERED. LESS THAN THAT AMOUNT IS FILLED AT THE RETAIL PRICES IN OUR 1952 SMITH'S GARDEN BOOK.
